## 2017-2018 Chinese Government Scholarship Program

### Harbin Engineering University

In order to strengthen mutual understanding and friendship between the Chinese people and people from the whole world, and to develop cooperation and exchange in fields of education, science, culture, economy and trade between China and other countries, Chinese government has set up a series of scholarship schemes to sponsor international students and scholars to undertake studies and research in Chinese institutions of higher education.

#### I. Categories of Applicants and Duration of Scholarship

Categories of Applicants	Duration of Major Studies	Duration of Remedial Chinese Language Studies (Chinese Taught Programs only)
Master's Degree Candidates	3 years	1 year
Doctoral Degree Candidates	4 years	1 year

#### II. Application Duration

From December 15, 2016 to January 20, 2017

#### III. Eligibility

1. Applicants must be non-Chinese nationals in good health.
2. Educational background required and age limit:
  - a. Applicants for master degree studies must have bachelor's degree and be under the age of 35;
  - b. Applicants for doctoral degree studies must have master's degree and be under the age of 40.
3. Excellent academic results in study (75 of 100 at least).
4. Applicants should have good ability in scientific research.
5. Applicants should not apply for any other scholarship.

#### **IV. Details of the Scholarship**

1. Including registration fee, tuition fee, and on-campus accommodation fee;
2. 800yuan RMB per year for Comprehensive Medical Insurance;
3. Monthly living allowance is granted to the candidates at the following rates (Yuan RMB per month):

Master degree candidate: 3000 Yuan RMB

Doctoral degree candidate: 3500 Yuan RMB

**NOTE:** Applicants need to afford international air tickets and transportation

#### **Complement:**

1. The students are required to cover the expenses for experiments or internship, which exceeds the teaching arrangements of HEU.
2. The living allowances will be allotted monthly to the students from the time of registration at College of International Cooperative Education. The new students who register before 15th (15th included) of the registration month will enjoy the whole amount of living allowance of that month; those who register after the 15th will get that of a half month. Graduates will get the living allowances till 15 days after the graduation date set by HEU. The scholarship will be terminated from next month for the students who suspend their studies, quit or graduate from HEU. The students are entitled to living allowance during the vacation period arranged by the university. The living allowance, which students didn't get in time as the departure for vacation, can be refunded when they are back to school. The living allowances will be stopped for one month for the students who do not register on time without permission from the ISC beforehand, leave with non-health reasons or are absent from the university over a month.
3. Scholarship students who have to suspend their education for illness should return to their home country for further treatment and rest. The international travel expenses of returning and coming back should be paid for their own. The students, who are allowed by the school authority to suspend their education, can remain their scholarship. The scholarship status will be reserved one year at the most; however, the monthly living allowance will be stopped during the suspension of education. The scholarship status of the students who suspend their education for reasons other than illness will be terminated.
4. Comprehensive Insurance for International students in China refers to the Comprehensive Medical Insurance insured by Chinese Educational Ministry for the scholarship students in China. The institution is entitled to ask for compensation on the payment receipts from the insurance company for the expenses generated from hospitalizing for serious diseases or from accidental injury according to the stipulated insurance articles. The insurance company does not accept individual claims.

5. The scholarship is mainly supporting student him/herself, if the student consider taking his/her family members, he/she needs to afford the fees of family members.
